Prospective Grant of Exclusive License: Polysaccharide-Protein Conjugates

AGENCY: National Institutes of Health, Public Health Service, DHHS.

ACTION: Notice.

SUMMARY: This notice is in accordance with 15 U.S.C. 209(c)(1) and 37 CFR 404.7(a)(1)(i) that the National Institutes of Health (NIH), Department of Health and Human Services, is contemplating the grant of an exclusive world-wide license to practice the invention embodied in U.S. Patent Number 5,204,098 entitled "Polysaccharide-Protein Conjugates" and related foreign patent applications to Connaught Laboratories, Inc., of Swiftwater, Pennsylvania. The patent rights in this invention have been assigned to the United States of America.

The prospective exclusive license will be royalty-bearing and will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7. It is anticipated that this license will be limited to the

field of typhoid vaccines and typhoid Vi-protein conjugates for the prevention of typhoid fever in humans. This prospective exclusive license may be granted unless within 60 days from the date of this published notice, NIH receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

The patent describes conjugates of bacterial capsular polysaccharides and carrier proteins, and methods of synthesis, wherein the polysaccharide and protein are linked through a thio derivative of a carboxyl group found on the polysaccharide. The conjugates are useful as vaccines for prevention of disease caused by infection by the bacterial species from which the capsular polysaccharide is derived.

ADDRESSES: Requests for a copy of this patent, inquiries, comments and other materials relating to the contemplated license should be directed to: Robert Benson, Patent Advisor, Office of Technology Transfer, National Institutes of Health, 6011 Executive Blvd., Box 13, Rockville, MD 20852. Telephone: (301) 496-7056, X267; Facsimile: (301) 402-0220. Applications for a license filed in response to this notice will be treated as objections to the grant of the contemplated license. Only written comments and/or applications for a license which are received by NIH on or before July 17, 1995, will be considered.

Dated: May 5, 1995.

Barbara M. McGarey,

Deputy Director, Office of Technology Transfer.

Office of the Assistant Secretary for Community Planning and Development

[Docket No. N-95-3888; FR-3886-N-04]

Homeownership of Single Family Homes Program (HOPE 3); Notice of Fund Availability: Notice of Extension of Application Deadline for Applicants in Oklahoma

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of further extension of deadline.

SUMMARY: This notice provides a further extension of the application submission

deadline for the HOPE 3 applicants affected by the destruction of HUD's Office in Oklahoma City, Oklahoma. An extension of this deadline was already published on May 9, 1995, but because of a typographical error, the new deadline was misstated. In addition, because of the destruction of documents due to the Oklahoma City explosion, any applicant that has already submitted an application under the HOPE 3 NOFA to HUD's Office in Oklahoma City should resubmit a copy of its application to the Fort Worth Office, as provided in this notice.

DATES: The application deadline for applicants from Oklahoma will be May 19, 1995, 4:30 Central Time.

FOR FURTHER INFORMATION CONTACT: For applicants in Oklahoma, contact Will Williamson, HOPE 3 Coordinator, phone (817) 885-5887. For general information about this notice, contact Salvatore Sciafani, Program Analyst, Office of Community Planning and Development, Department of Housing and Urban Development, Room 7208, 451 Seventh Street, SW., Washington, DC 20410, telephone (202) 708-1283; or (202) 708-2565 (TDD). (These telephone numbers are not toll-free.)

SUPPLEMENTARY INFORMATION: Because of the destruction of the HUD Office in Oklahoma City, Oklahoma, on April 19, 1995, the Department published a notice in the **Federal Register** (60 FR 24646, May 9, 1995) to extend the deadline for the submission of applications for certain programs, including the HOPE 3 Program. The Notice extended the application deadline for HOPE 3 applicants within the State of Oklahoma from April 25, 1995, to May 8, 1995. Because of a typographical error, the fact that some documents may be unaccounted for due to the destruction of documents in the Oklahoma City explosion, and the time required for applicants to resubmit copies of HOPE 3 applications to the Fort Worth Office, the Department has decided to provide an additional extension of time—to May 19, 1995—for HOPE 3 applicants in the State of Oklahoma. Any applicant under the HOPE 3 NOFA that has already submitted an application to the Oklahoma City office is directed to resubmit its application to HUD's Fort Worth Office, as indicated below in this notice. Photocopies of all of the documentation and materials as originally submitted to the Oklahoma City Office will be acceptable, as long as the applicant also provides proof of submission (e.g., postal or Federal Express receipt). Completed applications may not be submitted by fax.

Applicants in Oklahoma who have questions on the preparation of their applications may contact Will Williamson, HOPE 3 Coordinator in HUD's Texas State Office, phone (817) 885-5887. Except as revised by this notice, all other information and requirements applicable to the HOPE 3 NOFA remains as previously published.
